

DISCIPLINE OF CHRISTIANITY
FACULTY OF ARTS & CULTURE
EASTERN UNIVERSITY, SRI LANKA
GENERAL DEGREE PROGRAM - DETAILED SYLLABUS
CORE COURSES

The B.A General Degree Programme on Christianity as a Discipline is composed of three years duration, with two semesters per year. During the semester four courses are conducted, which carry a total of 08 credits. A course carries two credits when it involves student conduct two hours each week in a semester.

On completion of the General Degree in Christianity a student would have acquired certain degree of knowledge in the human, social, religious sciences, based on the Discipline, in addition to their methods and related ethical issues.

They would also be provided with opportunities to develop their abilities in producing tutorials, expressing certain depth studies and insights on given topics connected with the Discipline in today's context, to make their study programme relevant.

Sometime group activities as well as individual opportunities to express in public what they have learnt, are also provided, in order to enable the students to become professional speakers on given topics.

LEARNING OUTCOMES

B.A General Degree students in the Discipline on Christianity at the completion of the degree will be able to:

- Discuss the major theories and concepts in Christianity and its sub fields.
- Write independently on issues connected with Christianity.
- Analyze related problems and formulated and express option and opinions.
- Use electronic and library resources to search on important issue, local, national as well as international.
- Demonstrate critical thinking abilities to formulate arguments with material evidences that prove the case in question.
- The students are also provided with opportunities to visit places of religious importance, and study the activities therein.
